Dear Mr. Boyle:

I have received the Commission for the Calgary College matter and I hope to be able to call the Commission together for the first week of September. Will you kindly let me know whether you would like us to meet you first in Edmonton before we proceed to Calgary? My permanent address is Care of the Canadian Bank of Commerce, 2 Lombard Street, E.C.L., London, England.

Yours sincerely,

President.

Hon. J. R. Boyle,

My dear Mr. Boyle:

I am glad to have your letter stating that it will not seriously inconvenience you if the report of the Commission is deferred so as to be presented at the Session of the Legislature in 1915. It will give us plenty of time and in the present circumstances there are so many other demands occasioned by unforeseen emergencies that it may be an advantage to us all.

With kind regards, I am,

Yours sincerely,

President.

Hon. J. R. Boyle,

Edmonton, Alberta.

Dear Mr. Boyle:

I have consulted with the other members of the Commission and in view of the evident desire to have the report prepared as early as possible I have asked them whether they could ~~meet~~ as a Commission in Edmonton on Wednesday, 19th of November. Both President Murray and President Mackenzie agree to this date, and I shall now try to have the Commission meet in Edmonton on November 19th. I presume that this will be agreeable to you. Should you know of anything to interfere with it, will you kindly wire me? With kind regards, I am,

Yours sincerely,

President.

Hon. J. R. Boyle,

Edmonton.

Dear Mr. Boyle:

Many thanks for the letter which you have forwarded to me,
and which has just arrived.

I reached home on Monday night after a pleasant journey,
though most of it was spent in working at our report. I am not able to
say definitely when we can forward it to you because we have to consider the
final draft carefully, but we will do so as soon as possible.

We enjoyed our visit to the West very much notwithstanding
our hard work, and I have to thank you for your many ~~kindnesses~~ kindnesses to
us.

I am,

Yours sincerely,

President.

Hon. J. R. Boyle,

Minister of Education,

Edmonton, Alberta.

My dear Mr. Boyle:

I am sending you to-day the Report of the Commission duly signed. It has taken longer to get it into order than we expected, as we have had to send it backwards and forwards to Halifax by mail and I had to consult with President Murray when he came down to Toronto with regard to it. I hope, however, that we have it in proper form, and that it may help to solve your difficulties in Alberta.

I am sending at the same time some documents that you may need for reference. If I am not mistaken you have complete copies of the evidence. As far as I know there is nothing else that I have to send.

I have had to get the typesetting done in connection with the report, and perhaps you will be so good as to send me a cheque for to cover this expense.

I regret that we have been delayed by the war from getting this work completed before. Now, however, that it is done I hope that it may be satisfactory.

We have our difficulties here on account of the German professors. I hope, however, that they will gradually be remedied. I hope that you will have a happy and prosperous New Year, and with kind regards,

I am, Yours sincerely,

President.

February 6th, 1915

Hon. J. R. Poyle,
Minister of Education,
Edmonton, Alta.

Dear Mr. Poyle:

President Murray calls my attention to the fact that there is a misprint in the recommendations of our report. The section applying to Arts and described as "Pure and Applied", instead of that it should be "Fine and Applied".

With kind regards, I am,

Yours sincerely,

President.

Edmonton, February 13, 1915.

Dr. R. A. Falconer,
President University of Toronto,
Toronto, Ontario.

Dear Doctor Falconer:-

I am in receipt of your favour of 6th inst. in which you call attention to a typographical error in the Report of the Commission. I have had the error corrected in the original report.

I wish to take this opportunity to thank yourself and the other members of the Commission for the very painstaking work which you did in connection with this inquiry and in the preparation of the Report. I believe that the Report will be satisfactory both to the Government, the City of Calgary and the general public.

A cheque by way of slight honorarium will be issued by the Treasury Department in a few days to each member of the Commission. Yours will include the extra cost of having the Report prepared.

Very sincerely yours,
